

DECLARATION OF ORIGINALITY

City, Country Date

Germán González
Director
Editorial Board
Estudios Económicos

I hereby certify that the article entitled
.....
.....
submitted to be published in the journal *Estudios Económicos* is my authorship/co-authorship and it is an original¹ work, which has not been totally or partially published, is not under evaluation or has not been simultaneously submitted for its evaluation in another journal, nor will it be submitted to another means of scientific dissemination until the current evaluation process is finished. I also declare that the content of the article is my sole responsibility.

In the same sense, I declare that references to previous works are identified throughout the text and were included in the bibliographic references. Likewise, I affirm that all materials submitted for publication are totally free of copyright and, consequently, I am responsible for any litigation or claim related to Intellectual Property Rights.

If this article is accepted for publication, I authorize the journal *Estudios Económicos* to edit, publish, and distribute it in the various formats in which the journal is issued, at no cost to the authors.

Likewise, I authorize its inclusion in indexing services, directories or national and international databases in Open Access, under the Creative Commons Attribution-NonCommercial 4.0 Unported (CC BY-NC 4.0) license, according to which the authors retain their rights and allow other people to copy and distribute their work, acknowledging the authorship and place of publication. The foregoing implies that I will be able to have the final versions of the publication to disseminate them in any medium as long as they acknowledge the original source of publication, that is, the journal *Estudios Económicos*.

With the aim of gaining precision in the identification of the contribution of each author in the elaboration of the published work, I declare that my contribution in the elaboration of the work consists of:

1 Original means that it has not been partially or fully published in another journal or as a book section. Authors can submit documents that have been deposited in the form of preprints or as working papers in institutional repositories and academic networks. These versions are considered previous and not final. In the event that the article is accepted for publication, the authors are expected to cite the published version instead of previous ones.
